Fabulous Aft Cabin Cockpit Motor Yacht /w Skylounge

This is a unique opportunity to own one of Hampton's great designs. This vessel has the same layout as the Hampton 600 Aft Cabin. A six foot cockpit is added along with more fuel capacity, a second generator and a beautiful skylounge. She has a 4 stateroom layout with private aft full beam master, bow and stern thrusters, stabilizers, chilled water heat/air conditioning, walk-in air conditioned engine room, port & starboard aft deck engine controls, and much much more.

Cruise at 8.5 to 10 knots sipping fuel or cruise at 17.3 @ 2000 rpm. High cruise at 2100 rpm @18.8 knots. WOT was 21.1 during sea trials. She is fast, roomie and the cockpit adds fishing and watersports. WOW!
